Dear Parents / Guardians

Our school community is a vibrant and diverse representation of society, where children learn and grow. We rely on the local community, parents and families to partner with us in their children's learning journey and encourage open communication.

We all share a responsibility for providing a safe, supportive and productive environment, free from bullying, harassment, discrimination and violence. Parents and carers, and other visitors to our school, support safety by ensuring communication and conduct at school and school activities is respectful. We all have the right to feel safe and be safe at school.

The Department of Education has recently released Connect and Respect, a suite of resources to assist school communities in setting shared and respectful expectations to enable us to continue to work together in the best interests of our children.

This includes when and how to contact the school, what you can expect from us and the behaviours that interfere with teaching and learning. These resources and guidelines will assist us to continue to build upon our culture of connection and engagement, and we will implement them to support our staff to deliver quality education at our school.

Kind regards

Catherine Gordon
